

Capability Statement

Since 2014, Bobbi Ray's Termite and Pest Control LLC provides essential pest control services to our clientele. We are BBB accredited, state-certified, and have obtained crucial years of experience that enable us to supply an array of pest solutions.

From termite control, bed bug treatments, to rodent control, we keep our clients covered. Along with a wide range of capabilities, we offer additional key components such as warranty options, long-lasting special treatments, and more. Here at Bobbi Ray's, we put our hearts into our work and calming the chaos in our client's homes, business, or commercial property!

Please contact us today for additional information on our company and federal contracting abilities.
